TO MEMBERS OF THE SENIOR CLASS:

I extend to you my best wishes and congratulations for having reached the first significant milestone in your education. A high school diploma is a mark of distinction to be highly valued and cherished. It will help open for you many doors to future opportunities in the fields of work and education and in the affair of personal and civic life.

My wish is that you continue to extend your goals beyond this first achievement and pursue them in the future with the same zeal, enthusiasm and competence that you have shown as a student at Inkster High School.

To each of you my best personal wishes for a successful and happy life.

Sincerely yours,

Eino S. Michelson  
Superintendent of Schools

I would like to congratulate the members of the senior class upon having reached this milestone and wish them continued success in all of their endeavors. I hope that Graduation from high school will be indeed a Commencement of greater things for them.

## We Extend Sincere Congratulations

During your high school years you have listened to us and in many cases visited our studios. By all means, continue to do so.

Since our founding six years ago, WCHB radio has expanded to a second plant, WCHD-FM and thirty full time employees. Our growth is indicative of your support and that of your whole community.

From among you we expect to recruit future personnel for WCHB and WCHD-FM.

Largely because of you and your loyalty, we have gained strength and respect. We will always treasure this association.

We are proud to be identified with the people we serve.
